OBJECTIVE

The investment policy of the portfolio shall be to track the FTSE/JSE SA Listed Property Top 10 Equal Index (a custom index calculated independently by the FTSE/JSE) as closely as possible, by buying only constituent securities in the same weightings in which they are included in the Index and selling only securities which are excluded from the Index from time to time as a result of quarterly Index reviews or corporate actions

This index consists of the top ten companies, as measured by investable market capitalisation in the FTSE/JSE SAPY Index, and are held in equal weightings of 10.0% each (as at the quarterly rebalancing date).

WHY CHOOSE THIS FUND?

The benefits of Property Top Ten Tracker Fund are the following:

- Cost-effective
- Transparent
- Offers quarterly distribution
- Useful asset allocation tool for professional investors
- Accessible
- Own the top SA listed commercial real estate stocks
- No prescribed fixed investment period

⁽¹⁾ Property Top Ten Tracker Fund currently holds 11 securities due to the fact that Fortress has two classes of shares (FFA and FFBI). For Index calculation purposes both classes of shares are seen as one issue and so included separately but the sum of the two equal weighted to 10% on the rebalance date.

This document and any other information supplied in connection with CoreShares is not "advice" as defined and/or contemplated in terms of the Financial Advisory and Intermediary Services Act and, therefore, investors are encouraged to obtain their own independent advice prior to buying participatory interests in CIS portfolios issued by the Manager. Participatory interests in the portfolios issued by the manager qualify as investment instruments for the purposes of Tax Free Savings and Investment account by virtue of Section 12T of the Income Tax Act (available on certain LISPs). Collective investment schemes are generally medium to long-term investments. The value of participatory interests or the investment may go down as well as up. Past performance is not necessarily a guide to future performance. Collective investment schemes are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees and charges and maximum commissions is available on request from the manager. There are no performance fees charged in the portfolio. Commission and incentives may be paid and if so, would be included in the overall costs. The manager does not provide any guarantee either with respect to the capital or the return of a portfolio. The General Investor Report will be published 3 months after the launch of the fund and will be available on request and on our website. The portfolio may borrow up to 10% of its net assets on a temporary basis. Such borrowings are permitted only to meet the portfolio's obligations in relation to (i) the administration of the Fund relating to purchase or sale transactions; and/or (ii) the redemption or cancellation of participatory interests in the portfolio. Borrowings in relation to (i) above are only permitted for a period of up to 8 calendar days, and 61 calendar days in respect of (ii). Past portfolio performance is measured on a rolling monthly basis. The annual report, brochures, application form is available on our website. The portfolio may be closed to new investments at any time in order to be managed in accordance with its mandate. CoreShares shall, wherever possible, avoid situations causing a conflict of interest. Where it is not possible to avoid such conflict, CoreShares shall advise you of such conflict in writing at the earliest reasonable opportunity and shall mitigate the conflict of interest in accordance with its conflict of interest. Management Policy. You may send a blank email with a subject "conflict of interest" to the compliance officer, should you need a copy of this policy. Complaints should be directed to the Compliance Officer. The Complaints Resolution Policy is available on request. The Compliance Officer's email address is compliance@coreshares.co.za. Total expense ratio (TER) is a measure of a portfolio's assets that have been expended as payment for services rendered in the management of the portfolio or collective investment scheme (CIS), expressed as a percentage of the average daily value of the portfolio or CIS calculated over rolling three year periods coinciding with a calendar quarter end and annualised. Transaction costs (TC) is a measure to determine the costs incurred in buying and selling the underlying assets of a portfolio or CIS, expressed as a percentage of the average daily value of the portfolio or CIS calculated over a period of three years on an annualised basis. TC are a necessary cost in administering the portfolio or CIS and impacts returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of portfolio or CIS, the investment decisions of the investment manager and the TER. Total investment charges is a measure of the total value of portfolio incurred as costs relating to the investment of the portfolio or CIS. **A higher TER / TC does not necessarily imply a poor return, nor does a low TER / TC imply a good return. The current TER may not necessarily be an accurate indication of future TER / TC's.** Trustee and custodian: Société Générale Johannesburg Branch Telephone 011 448 8427 Address: 160 Jan Smuts Avenue, Rosebank
