

30 April 2019

### OBJECTIVE

The investment policy of the portfolio shall be to track the S&P South Africa Dividend Aristocrats Index as closely as possible, by buying only constituent securities in the same weightings in which they are included in the Index and selling only securities which are excluded from the Index from time to time as a result of quarterly Index reviews or corporate actions.

The index, which is constructed and maintained by S&P Dow Jones Indices, is designed to measure the performance of constituents of the S&P South Africa Composite Index that have followed a policy of increasing or maintaining stable dividends for seven consecutive years.

The past portfolio performance is calculated on a rolling monthly basis, lump sum, NAV to NAV and distributions reinvested. Annualised return is weighted average compound growth rate over period measured. The investor performance may differ as a result of advisor fees (where applicable), actual investment date, date of reinvestment and dividend withholding tax. Past performance is not necessarily a guide to future performance. The lowest and highest returns show the lowest and highest consecutive 12 month return experienced since inception.

## DISCLOSURES

ETFs and Unit Trusts are both CISCA portfolios and therefore they are regulated by the Financial Sector Conduct Authority – however ETFs are listed on the JSE and are therefore also regulated by the JSE. ETFs and Unit Trusts may seem similar in nature as they both hold a basket of shares but there are many differences between the two. The differences not only lie within the investment approach but also: Trading – ETFs are listed on the JSE, Transparency – You know exactly what shares the ETF holds, Fees and minimum investment differs between the funds, ETFs take a passively managed approach whereas active Unit Trusts focus more on an active strategy. CoreShares Index Tracker Managers (RF) (Pty) Ltd (“the Manager”), Registration number 2006/006498/07, is a company incorporated in South Africa acting as a manager of collective investments schemes in securities in terms of Section 42 of the Collective Investments Schemes Control Act and is supervised by the Financial Sector Conduct Authority (FSCA). The registered address of the Manager is 5 Arundel Close, Kingsmead Office Park, Durban, 4001. The Trustee and Custodian is Société Générale Johannesburg Branch. **The Investment Management of the portfolios is outsourced to CoreShares Asset Management (Pty) Ltd, an authorised financial services provider, FSP 46695.** This document and any other information supplied in connection with CoreShares is not “advice” as defined and/or contemplated in terms of the Financial Advisory and Intermediary Services Act and, therefore, investors are encouraged to obtain their own independent advice prior to buying participatory interests in CIS portfolios issued by the Manager. Participatory interests in the portfolios issued by the manager qualify as investment instruments for the purposes of Tax Free Savings and Investment account by virtue of Section 12T of the Income Tax Act. You may access the Tax Free Savings and Investment account from your service provider of choice. The Manager is not a service provider for this purpose. Collective Investment Schemes in Securities (CIS) are generally medium to long term investments. The value of participatory interests may go down as well as up and past performance is not necessarily a guide to the future. CIS are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees and charges is available on request from the company. Commission and incentives may be paid and if so, would be included in the overall costs. The portfolios track the performance of a particular index and so outperformance of the index is not the objective and, therefore, there are no performance fees at all. The Manager does not provide any guarantee either with respect to the capital or the return of a portfolio. Unlike traditional unit trusts, Exchange Traded Funds (ETFs) are Collective Investment Schemes in Securities (CIS) that trade on stock exchanges. Trading in ETFs will incur the normal costs associated with listed securities, including brokerage, settlement costs, Uncertified Securities Tax (UST), other statutory costs and administrative costs. The price at which ETFs trade on an Exchange may differ from the Net Asset Value price published at the close of the trading day, because of intra-day price movements in the value of

## RISKS

As with all investments, there are certain risks of investing in Coreshares DivTrax:

- Index Tracking Risk – The ETFs returns may not match the index returns due to operating costs.
- An investment in the ETF involves risks similar to those of investing in any fund or ETF of equity securities such as liquidity risk and capital risk.
