

# CORESHARES SCIENTIFIC BETA MULTI FACTOR INDEX FUND

## MINIMUM DISCLOSURE DOCUMENT (FACTSHEET)

31 July 2020

### OBJECTIVE

The objective of the portfolio is to track the Scientific Beta CS South Africa Six-Factor Equal Weighted Index. This strategy is created to offer exposure to well-rewarded, academically grounded risk factors, whilst diversifying away as much as possible from non-rewarded, non-systematic risks.

The index, which is constructed and maintained by the EDHEC-Risk Institute in France, provides exposure to the 50 largest and most liquid shares listed on the JSE (primary and secondary) and is rebalanced quarterly.

The portfolio may borrow up to 10% of its net assets on a temporary basis. Such borrowings are permitted only to meet the portfolio's obligations in relation to (i) the administration of the Fund relating to purchase or sale

transactions; and/or (ii) the redemption or cancellation of participatory interests in the portfolio. Borrowings in relation to (i) above are only permitted for a period of up to 8 calendar days, and 61 calendar days in respect of (ii). Past portfolio performance is measured on a rolling monthly basis. The annual report, brochures, application form is available on our website. The portfolio may be closed to new investments at any time in order to be managed in accordance with its mandate. CoreShares shall, wherever possible, avoid situations causing a conflict of interest. Where it is not possible to avoid such conflict, CoreShares shall advise you of such conflict in writing at the earliest reasonable opportunity and shall mitigate the conflict of interest in accordance with its conflict of interest. Management Policy. You may send a blank email with a subject "conflict of interest" to the compliance officer, should you need a copy of this policy. Complaints should be directed to the Compliance Officer. The Complaints Resolution Policy is available on request. The Compliance Officer's email address is [compliance@coreshares.co.za](mailto:compliance@coreshares.co.za). Total expense ratio (TER) is a measure of a portfolio's assets that have been expended as payment for services rendered in the management of the portfolio or collective investment scheme (CIS), expressed as a percentage of the average daily value of the portfolio or CIS calculated over rolling three year periods coinciding with a calendar quarter end and annualised. Transaction costs (TC) is a measure to determine the costs incurred in buying and selling the underlying assets of a portfolio or CIS, expressed as a percentage of the average daily value of the portfolio or CIS calculated over a period of three years on an annualised basis. TC are a necessary cost in administering the portfolio or CIS and impacts returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of portfolio or CIS, the investment decisions of the investment manager and the TER. Total investment charges is a measure of the total value of portfolio incurred as costs relating to the investment of the portfolio or CIS. **A higher TER / TC does not necessarily imply a poor return, nor does a low TER / TC imply a good return. The current TER may not necessarily be an accurate indication of future TER / TC's.** The NAV is published daily and is available on the website [www.coreshares.co.za](http://www.coreshares.co.za)
